

WINE PHILOSOPHY

At Six represents quality, elegance and personality. These principles have guided us in defining our gastronomic identity and ultimately helped us develop a food and beverage experience that feels caring, unique and modern.

Our wine offering has been carefully curated to focus on producers and wines with character and individuality. Furthermore, our sommeliers and chefs have worked together to create a menu where wine and food go hand in hand at all times. Whether you fancy a glass of crisp Riesling from Germany, a powerful Cabernet Sauvignon or an oak matured Champagne, together we will find something in our cellar that perfectly suits your palate.

Warm welcome

Robert Terry
Head Sommelier

NIEPOORT

VINHO VERDE - DÃO - BAIRRADA - DOURO

Niepoort is a family company founded in 1842 and is today run by the 5th generation, Mr Dirk Niepoort. Dirk is one of the driving forces in the development of table wines in Douro, which he does, among others, through a wine house called Douro Boys.

Niepoort's vineyards are carefully selected and feature many complex old vines which are normally located at an altitude of 500 to 600 meters above sea level and facing south which provides great freshness and elegance to the wines.

At the foot of Serra da Estrela, Portugal's highest mountain, we find Dão and the vineyard Quinta da Lomba where Niepoort has produced wines since 2014. The vines here are 60 years or older and the soil consists mostly of granite.

Finally, in northern Portugal, we find the area of Minho where Niepoort has produced wines since 2015. This vineyard is located close to the Atlantic and has calcareous soil. It produces some of the most crispy and mineral-rich white wines in Europe.
